

Vodafone Recruiting Day

Università di Catania, January 24th 2014

An entrepreneurial spirit. A passion for innovation. The determination to succeed. That's what it takes to work at Vodafone. How will you shape your world?

About the Discover Program

Over the course of the [Discover Program](#) (12 months) you'll experience **rotations** across the business. Learning from the finest minds in their field, using cutting-edge technology and experiencing ongoing opportunities to progress your career, you'll have the chance to develop the solutions that improve people's lives across the globe.

After two years you'll take advantage of our ever-evolving global network and may have the opportunity to take on an international assignment with our Columbus Program. Gaining fresh perspectives and experiencing new ways of thinking, you'll return ready to take the next step on your way to becoming a future leader of our business.

Opportunities in: Product & Channel Delivery, Human Resources, Sales, Online, Commercial Operations Strategy

Who we are looking for

We're looking for ambitious candidates, passionate about joining Vodafone and changing lives of people all around the world. You need to hold a **Bachelor or Master's degree with an outstanding academic record, be fluent in English and have no more than one year's work experience to apply.**

Degrees in: Engineering (telecommunication, information technology, computer science, management), Economics & Social Sciences (Communication, Web Design, Statistics) & Humanities, Mathematics, Physics

Send your CV for pre-selection before **January 19th** to:

HR.recruiting@mail.vodafone.it
